

RIDGID®

RP 241 Press Tool

The RP 241 is the latest tool in the RIDGID® Compact Press Tool family. 25% smaller and 10% lighter than its predecessor (RP 200), this lightweight, low profile design, is ergonomically designed to help you easily work overhead and in tight spaces.

- Smaller tool – The RP 241 tool is 25% shorter and 10% lighter than the previous RIDGID Compact inline tools
- Better Weight Balanced – While the tool is ~1 pound lighter than the prior model, with a better balance of weight, the tool will feel even lighter than that
- Multiple Size & System – RIDGID has the only compact press tool that can go up to 1¹/₄" on Copper & Stainless Steel; up to 1¹/₂" on PEX tubing; and up to 3⁴/₈" Iron Pipe
- Bluetooth® Connectivity – Connect to your tool through your phone and manage important information like cycle count and battery life
- New 12V Lithium-Ion Battery offers over 140 crimps per charge

RP 241
